

Calculus Challenge Problem # 10

Results: There was a lot going on in this problem. The calculus involved solving a number of differential equations and using the information to consider the Vietnam conflict. The problem poser made it a bit more difficult when he misplaced a negative sign, but the students saw through that error right away.

School	Teacher	Score	Cumulative Score
Bellville High School	Trudy Durham	5	50
Benjamin Cardozo High School	Ken Rubel	5	50
Gleneagle Secondary School	Nevena Savovic		40.5
Hickman High School	Deanna Wasman	4	47.5
Pine View School	Ann Hankinson	5	50
