

# Calculus Challenge Problem # 2

As in problem #1, there were a lot of very nice solutions. For part 5, it wasn't necessary to find the same interesting things that I found, as long as you found something interesting.

Remember, you must present your work that leads to the solution, not just the solution. Like on the AP exam, no credit will be given for unsupported answers.

## Results:

School	Teacher	Score	Cumulative Score
Bellville High School	Trudy Durham	5	10
Benjamin Cardozo High School	Ken Rubel	5	10
Blessed Trinity Catholic High School	Amy Muller		4
Eagle's Landing Christian Academy	Deborah Brown	1.5	2.5
Fike High School	Christie Wuebbles		4.5
Gleneagle Secondary School	Nevena Savovic	5	10
Gray Stone Day School	Robin Dassler		3.5
Hickman High School	Deanna Wasman	5	8.5
Head-Royce School	Shahana Sarkar	2.5	2.5
La Habra High School A	Barbara De Roes		5
La Habra High School B	Barbara De Roes	5	10
North Lamar High School	Kathy Stewart		3.5
Norwalk High School	Chris Higgins		4.5
Pine View School	Ann Hankinson	5	10
